**Agreement to License**

This CLA applies to all material ("Contributions"), including any original work of authorship and any modifications or additions to an existing work, that you send, post or otherwise explicitly submit for inclusion in any Foundation repository, now and in the future. Foundation repositories and the works created from them are governed by the Foundation Bylaws, which may also affect the application of this CLA.

You agree to license all of your rights in each of your Contributions, under the terms of the specific "Applicable License" designated in the LICENSE.MD file in the repository into which it is

submitted (at the time you sign this form), for the benefit of both the Foundation and all later parties who that Applicable License benefits. The licenses granted there and in this CLA by you are perpetual, worldwide, non-exclusive and irrevocable, and include copyright permission to the Foundation to publish your Contributions without royalties, and permit others to do so, including in the ways described in the Foundation Bylaws. You may withdraw in the future from this CLA, and end your access to contribute to its repositories, but that withdrawal will not terminate your license already granted for any Contributions made while you still have that access.

### **Nonassertion Covenant**

You also promise that you will not assert any royalty claims nor patent claims licensable by you that are necessarily infringed by an implementation of an approved Foundation Deliverable, against the Foundation or any user of that work, for any compliant implementation of that work.

Your promise to do so is irrevocable, but (a) will no longer apply to new Foundation Deliverables approved after you resign as a Contributor or depart from the Foundation; and (b) you may suspend or revoke that promise to any person who alleges in writing or files a suit asserting that your Contribution, or the work to which you have contributed, constitutes direct or contributory patent infringement.

### **Additional Terms**

You represent that you have all of the legal rights necessary to license each of your Contributions under the terms of the Applicable License, and to make the promises stated in this CLA. If any part of your Contribution incorporates the original work of another party, or if you are employed by or contributing your work-for-hire supplied to another party, by signing this CLA you also confirm to us that you have received any necessary permissions from that party to submit your Contributions and grant these licenses and promises.

Most Foundation repositories are public, and most Foundation work is intended to create publicly-available materials. By signing, you agree that a record of your Contributions, including your identifying name and GitHub handle, may be permanently maintained and freely redistributed.

## OPEN MOBILITY FOUNDATION Individual CLA INSTRUCTIONS

*{Note, instructions may change based on automated system tooling, e.g., GitHub setup.}*

In order to contribute intellectual property into the Open Mobility Foundation, you must agree to be bound by the terms of this Agreement ("CLA"), so that it is clear what terms apply to your intellectual property contributions. This is a license and agreement by you, for your protection as a contributor, as well as for the protection of the Foundation and all who use your contributed material.

You are not required to be affiliated with a Member of the Foundation in order to make contributions, but you are required to agree to the CLA before you contribute to any Foundation repository. You can do so by completing the online form provided by the Foundation.

If you are contributing material on behalf of or owned by a corporation, organization or other entity, you must identify them on the iCLA form, and the Foundation may also require additional assurances in an Entity CLA from that entity, before your iCLA is considered valid and complete.

Each Foundation repository contains a LICENSE.MD file stating the "Applicable License" for that repository. The Foundation will not change a license designation for a repository once it is made. By signing the CLA you are agreeing, first, that any contributions you make into a Foundation repository are licensed by you according to the open license terms stated in that LICENSE.MD file, and second, to the nonassertion covenant in the CLA which limits your exercise of any patent rights against persons implementing the Foundation's releases. You must check each repository to confirm which license applies to Contributions made to its contents; the majority of Foundation repositories are likely to use either the Apache 2.0 or Creative Commons CC-BY 4.0 license.

The CLA is only a non-exclusive license and covenant; it does not transfer ownership, and does not change your rights to use your own Contributions for any other purpose. The Foundation, its members and the users of its deliverables are not required to make any use of your Contributions.

Personal data provided in this licensing process is handled, and you have the rights, as provided in the Foundation Data Privacy Statement posted at [URL]. PLEASE NOTE that:

- \* Data items with an asterisk on the CLA may be used to identify and post your contributions, and will be made part of a public record to evidence your contributions.
- \*\* Data Items with a double asterisk are email addresses, and may become public if you participate by email in Foundation deliberations, which generally are openly posted.
- † Data items with a dagger indicate your contribution being connected to an organization, and may require additional Entity CLA information before your CLA is considered complete.

You may submit a CLA by clicking the "Accept" button on the form. You should then receive an email message from \_\_\_\_\_@\_\_\_\_\_.org with the subject line "Open Mobility Foundation Confirmation". Please reply to that email message, to confirm that the information submitted in the CLA form is correct, and that you submitted the CLA. Questions may also be submitted directly to Foundation staff at any time: send general questions to \_\_\_\_\_@\_\_\_\_\_.org and CLA-related questions to \_\_\_\_\_@\_\_\_\_\_.org.

We look forward to your participation and contributions to better urban mobility practices!
