

DRAFT MEMBERSHIP APPLICATION FOR THE OPEN MOBILITY FOUNDATION

(OASIS Open Development Foundation, LLC, a Delaware Series LLC, Open Mobility Foundation Series.)

FORM FOR PUBLIC MEMBERS

August 2019

This Membership Application, when signed by you as an applicant and accepted by the Open Mobility Foundation, constitutes your commitment to join the Foundation as a Public Member . The Bylaws govern your membership rights, privileges and obligations as a Foundation Member, and certain aspects of those rights will rely on your status, as described by you in Schedule A.

By signing and returning this Application, you confirm to the Foundation that:

- Your organization intends to join the Foundation as a Member.
- You have accurately completed the information describing your organization in Schedule A. Your organization meets the qualifications of the Public Membership category. You have been advised that your participation or other rights may change if during the term of your Membership you cease to meet those qualifications, and you agree to notify the Foundation of any such changes.
- Your organization acknowledges receipt of a copy of the Foundation Bylaws, and understands that complying within the terms of the Bylaws, including its licensing terms and the other policies named there, is a condition and requirement of Membership so long as you are a Member, commencing on the date you sign this Application. (Licensing commitments for contributions and work of the Foundation are described in the Bylaws, and evidenced by Contributor License Agreements ("CLA") as and when provided there, which are documented separately from this Application.)
- You promise that the person signing this Application for you is authorized to execute this Agreement for the organization that is applying to become a Member.
- The Foundation may change its Bylaws from time to time, and those terms will govern your participation or other rights as a Foundation member when amended; but no change will have retroactive effect. The Foundation will notify you of any Bylaws change that materially impairs your rights at least 30 days before it takes effect. You may terminate your Membership if you do not wish to be bound by those changes; otherwise, you will remain a Member unless you voluntarily terminate (by notifying us as provided below) or the Foundation terminates your membership (for cause).

In the case of any conflict between the terms of this Application and the terms of the Foundation's Bylaws, those Bylaws supersede.
